

“Kathy Rinaldi took office with a County budget deep in the red and a local economy about to drop into a tailspin after years of uncontrolled, unsustainable development. With her leadership, the county has addressed many budget woes. **Kathy’s worked tirelessly to develop an economy that can create good jobs.** She has my full support in the coming primary and general election.”

Dan Powers
Mayor, City of Driggs

“Kathy Rinaldi has been a great partner at the County level. **Kathy knows that Cities and Counties need to work together for the benefit of us all.** And she knows what it takes to raise a family in Teton County and works hard to provide the sustainable economy we all need to raise our families here. Kathy has my vote in the upcoming primary.”

Scott Fitzgerald
Mayor, City of Victor
